LETTER REGARDING CONTINUED EXAMINATION FEE
Request for Refund of Duplicate \$790 Fee

Mail Stop RCE
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

A request for Continued Examination in the above-identified case was faxed to the USPTO at 571 273 8300 on 19 April 2007. This was within the 3-month response period to the Final Office Action dated 25 January 2007. A copy of this request is enclosed

While an Internal Fax confirmation was receipt issued (copy enclosed), we did not receive the USPTO's return confirmation.

Accordingly, we sent the request by mail as well. To avoid a duplicate charge, we stated the following at the beginning of a "Letter Regarding Continued Examination (RCE).

Before processing, please check if RCE has already been filed. Please do not make a second charge to deposit account.

A first Charge of \$790 was made on 20 April 2007—the day after the first copy was faxed to the USPTO. Because of concern that the USPTO might make a double charge and because we wished to maintain a Deposit Act. balance in Act. 501231 (nGimat Co.)

an e-Replenishment in the amount of \$700 was made on 23 April 2007. A second (duplicate) charge of \$790 was made on 24 April 2007.

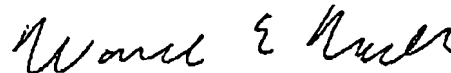

A copy of the April 2007 Deposit Account Statement regarding Deposit Act 501231 is enclosed.

A refund of the duplicate charge of \$790 to Deposit Act. 501231 is requested.

Please note also, that the correct docket no. for this case is 0008-FA-US (not 0028-NA-PCT).

Respectfully Submitted,

LETTER REGARDING CONTINUED EXAMINATION (RCE)

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Before processing, please check if RCE has already been filed. Please do not make a second charge to deposit account.

The enclosed request for RCE of the above-identified application was sent by fax to the USPTO (571 273 8300) on 19 April 2007. If this RCE has been previously received and Deposit account 501231 already charged \$790 in respect to this RCE, please do not again charge the deposit account for this amount.

There is doubt that the RCE went through. Although we received an internal fax report that the fax transmission was "OK" (copy enclosed), we did not get the automatic confirmation from the USPTO. Previously, this same event occurred on the fax machine from which the 19 April transmission was sent. In those cases the USPTO did not receive the transmission and it was suggested by USPTO personnel that the USPTO's spam blocker may have prevented reception.

To be sure the RCE is timely filed, this duplicate submission is made. Again, please do not re-charge deposit account 501231 if the charge has already been made.
